4. Scientific and Technical Operations (S&T):

On 9 May in WAR No. 18 I reported that Mr. [REDACTED] 25X1A9a  
had agreed on 8 May to forward his views on the course to OTR via  
the DD/P Training Officer. Subsequent WAR's have indicated the  
25X1A9a non-receipt of Mr. [REDACTED] written views. We have still received  
25X1A8 nothing. That [REDACTED] has experienced difficulties in the past in  
communicating its views to us is revealed in the following excerpt  
from a WAR of almost one year ago, specifically 6 July 1961:

"Having completed the Covert Action Operations Course Mr. Kenneth  
[REDACTED] has begun work on the Scientific and Technical Operations  
25X1A9a Course. He has had several meetings with [REDACTED]  
25X1A9a but there is no indication at this writing of [REDACTED] interests or 25X1A8  
plans for an S&T seminar. As we have noted in earlier reports,  
25X1A8 this is a matter that had to be settled between the area divisions  
and [REDACTED] and that we would cooperate when they had a proposal to  
offer."

5. Staff Members Activities

a. Mrs. [REDACTED] has obtained the [REDACTED] case files from EE, [REDACTED] and 25X1A8b  
25X1A2g has started to review them to determine if the case can be used for  
training purposes.

b. Mr. [REDACTED] is on temporary duty with Covert Training.

c. [REDACTED] is attending the State Department Counter-Insurgency  
25X1A Course.
